CN4001/ CD4001 Lab Sheet (Topic 1 – Module Introduction)

Before your lab session, make sure you have:

- **watched** the TOPIC 2 lecture video on the **CD/CN4001 Moodle Site** by clicking here
- **logged on** to the live lecture Q&A on **Monday 10-11am** via the General channel of **your CD4001/CN4001 Teams** site by clicking here

Then check your timetable to find out the day/time/location of your lab session.

If you have permission from your course leader to study remotely, follow these instructions to access your remote lab (Tuesday 4-6pm):

1. *Go to the ON-LINE LAB (Tue 4-6) channel on your **CN4001/CD4001 Software Development Microsoft Teams** site by clicking here.*
2. *Wait for your tutor to start the lab session. To join the session, click on the "**Join**" button that will appear when your tutor starts the session.*

CN4001/ CD4001 Lab Sheet (Topic 1 – Module Introduction)
