Programmers

```
if(road.isClear())
{
    ca        );
}
```

The set of instructions that tells a machine what to do is called a program

(c) Dr Aaron Kans
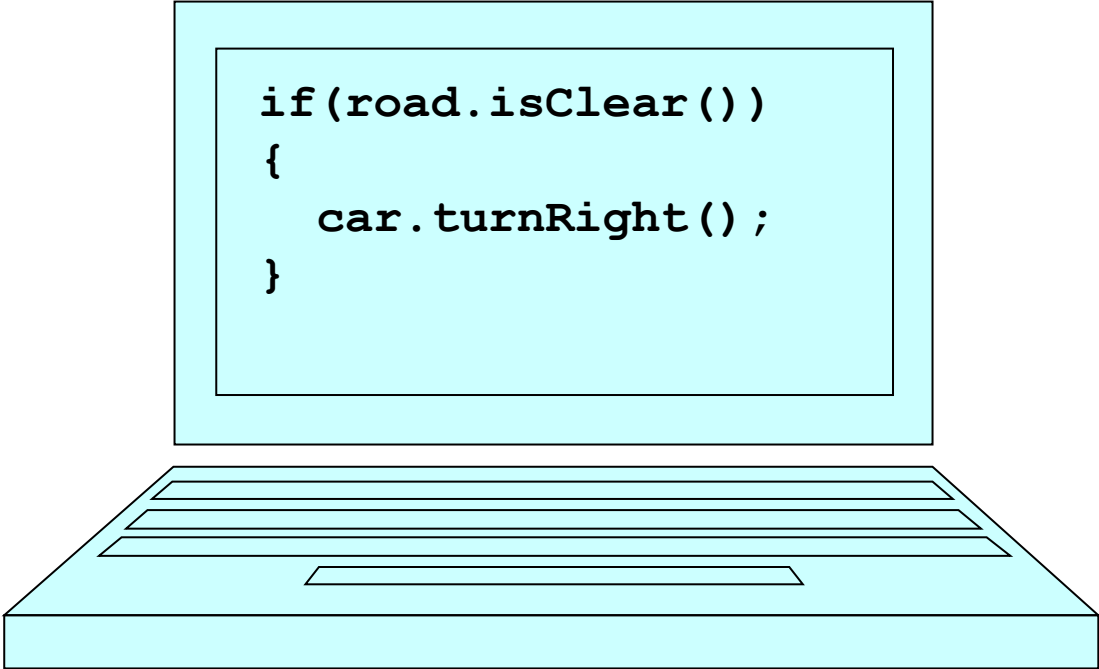

```
if(road.isClear())
{
   car.turnRight();
}
```

Software is the name given to a single program or a set of programs.
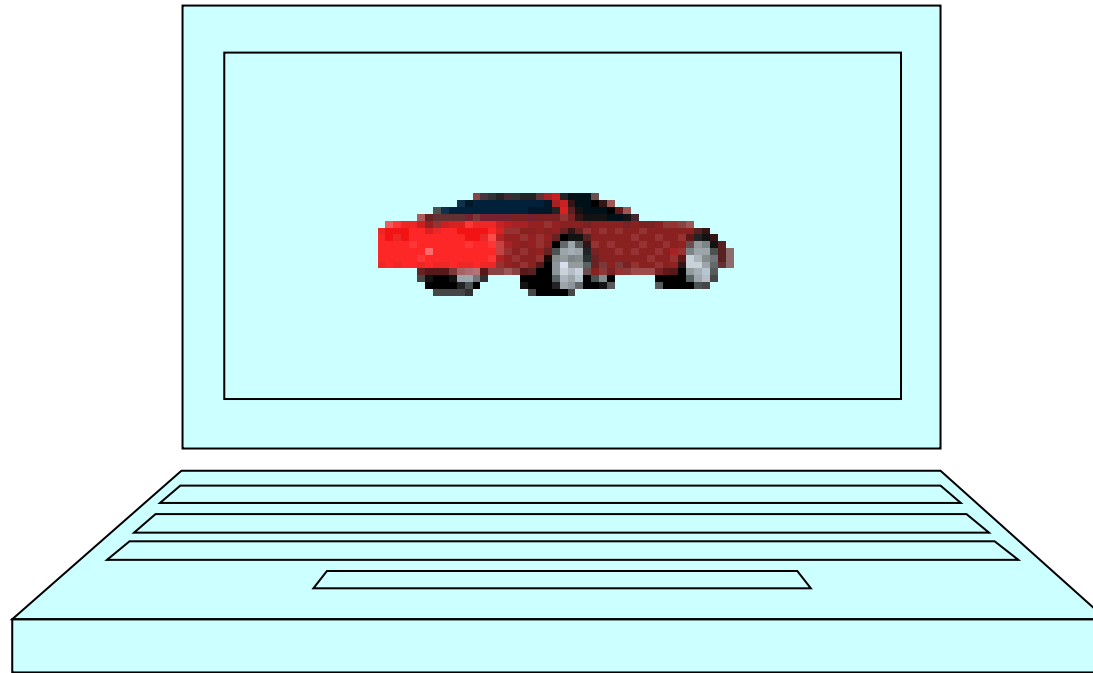

(c) Dr Aaron Kans

Programming is the task of giving instructions to a computer

```
if(road.isClear())
{
    car.turnRight();
}
```

These instructions usually have to be written in a special programming language.
